

September 22, 2015

Dear Parent(s):

Seton High School uses FACTS Management Company for both tuition payments and financial aid administration. This letter is to provide information about FACTS Grant and Aid Assessment which is used to apply for financial aid. I encourage you to complete the application by the deadline for full consideration of tuition assistance.

The FACTS financial aid application must be completed in order to be considered for tuition assistance for the 2016-2017 school year. The application provides Seton with information which is used in deciding tuition assistance awards.

The application (including \$28 fee and all required documentation) must be completed online by **November 13, 2015**. I encourage you to complete the application by the deadline for full consideration of tuition assistance. You will be notified of an award in January, 2016.

Applications received after the deadline will be accepted, but your financial aid award could be reduced or possibly denied based on availability of funds after awards are made to timely applicants. Late applications will **not** be considered for aid until April, 2016.

To complete your 2016-2017 FACTS financial aid application, visit our website at www.setoncincinnati.org, click on the Admissions tab, Tuition and Financial Aid and on the link "2016-2017 FACTS Online Financial Aid Application". You need to complete the online application as accurately as possible. **Please note:** When filling out the school information on the application, use the current year tuition and fees amount of \$10,300 in the "annual tuition" box.

After completing the online form, you will need to submit your Federal income tax return, W-2 forms and all supporting documentation to FACTS. You can upload the documents online, fax or mail copies directly to FACTS. The **\$28** application fee can also be paid online or mailed to FACTS with the supporting documentation. Your FACTS financial aid application is **not** complete until all required documentation and the \$28 fee is received by FACTS.

Sincerely,

Terri Sorrell
Assistant Business Manager
